

## NANO

### Unique, Small and Flexible

NANO is Cash Bases' latest range of cash drawers designed to meet growing demand for very small footprint drawers with a width of under 300mm to fit into the smallest spaces and maximise counter space. The NANO drawer is the perfect platform for the latest ultra-small EPoS terminals and is suitable for any retail and hospitality environment where space is at a premium. The NANO range reflects the unparalleled quality and flexibility that is customary to all Cash Bases products.
